If our persons attacked by small pox was the 174th beyond anything the persons attacked by small pox was the 174th beyond anything the old was the 174th beyond anything the old world. If our persons attacked by small pox was the 174th beyond anything the old world. If

ds were limited to the rate described, the 225th. Naturally enough the current investigation now being privately held of the prevailing practices and methods of dealing in securities and commodities by the inission appointed by the governor of the State is exciting a consider-able amount of interested discussion in DEATHS FROM VACCINAL-SYPHILIS IN ENGthe financial district.

The governors of the stock exchange have indeed always acted with Draconian severity. With the single exception of the permission granted members of the stock exchange to deal on the floor of the exchange in securities rated as belonging to an "unlisted" department, for which prices are recorded by the stock quotation instruments in the same way as those for listed stocks and bonds and whose so-called unofficial status is but little recognized by the great majority of the general public, there is little that can be criticlsed in the established scheme under which stock exchange transactions are

Roosevelt's Ride. Editor The Washington Herald:

chanan Read were living, he perhaps might clothe the noted event in words paralleling in their phraseology his de Raleigh, Dec. 28, 1908.

Having had personal observation of Dr. McKanna's treatment, and noticed the lasting effects of that treatment, I heartily indorse what Governor Glenn living often come like fire alarms, in scription of "Sheridan twenty miles living often come like fire alarms, in groups of three, and it may be far-fetched to refer to Paul Revere, yet he has come to mind, and will be included in the (Inc.). 2005 G at nw.

rest assured that it will be described in verse, and that posterity will long remember it, as an incident in the strenmember it, as an incident in the strende CO. 1407 F st. nw.

EXCHANGE Bought and sold. Foreign Drafts issued. Letters of Credit issued. Investments & Collections made.

Stocks & Bonds bought & sold. National Riggs Bank Pa. Ave., opposite U. S. Treasury.

One Dollar

Is enough to start a savings account with at the Home Savings Bank,

7th St. and Wass. Ave. N. W. 7th and H Sts. N. E. 436 7th St. S. W.

Under U. S. Treasury supervision.

The Safest Investments

Are those that do not fluctuate during disturbed renditions of the money or stock markets. First deed of trust notes (first mortgages), well secured an real estate in the District of Columbia, constitute. "gilt-edge" investments. They do not depend upon the financial responsibility of individuals or corporations for their stability, and are exempt from taxation as personal property. We can supply such investments in amounts from \$500 upwards Send for booklet, "Concerning Loans and Investments."
